

# IFAD-SWEDEN JOINT CAREER SEMINAR

DATE: MONDAY 30 MARCH 2026, 14:00-15:15

**Sweden** and **IFAD** share a strong commitment to eradicating poverty and hunger and supporting small-scale farmers engaging in efficient, resilient and sustainable agri-food value chains. Sweden is a **founding member of IFAD** and the Fund was led by a **Swedish President** from 2001 to 2009. As a consistent top contributor and a key partner to IFAD's core resources, Sweden has helped IFAD **strengthen food security, empower rural women and youth, and expand climate resilience for millions of vulnerable households** across low-income and lower-middle-income countries.

IFAD, a specialized UN agency and international financial institution, is one of the largest global financiers of agriculture and rural development in regions in need worldwide. IFAD invests in rural people and their communities, creating jobs, resilient economies, shared prosperity and stability. Today, IFAD and its partners have nearly US\$25 billion invested in ongoing projects transforming food systems.
